

## TRANSFORMING OUR CLIENTS ENVIRONMENTAL, SOCIAL AND SAFETY EXPENDITURE INTO INVESTMENT

Coffey Environments delivers life of project specialist environmental, social and safety performance solutions in the infrastructure, resources, government and property sectors. We have over 600 staff in offices across Australia, USA, New Zealand & Papua New Guinea.

Coffey Environments becomes involved in projects at the early stage of feasibility, providing strategic advice, management of the approvals and permitting process, stakeholder engagement and technical investigations. Our involvement continues as we provide environmental management, occupational health and safety, waste management, contaminated site assessment and remediation, and energy monitoring services during construction and operations.

Our services include:

- Corporate Services
- Planning & Approvals
- Environmental Performance Management
- Technical Services
- Social Performance Management
- Sustainable Engineering
- Environmental Design Services & Management
- Pollution, Waste and Remediation
- Health and Safety

Our key clients include; Fortescue Metals Group; Thiess John Holland; Chevron; Mobil; Rio Tinto; Caltex; Shell; Department of Defence; Telstra; Sydney Airport; Sydney Ports; LA School Board; Exxon; Oxiana; Tarong Energy; Atlas Iron; African Minerals; Iluka Resources; Xstrata

We are a part of Coffey International Limited, an ASX/S&P 300 global professional services consultancy focusing on both physical and social infrastructure. Coffey uses specialist knowledge to deliver extraordinary outcomes for clients across the full life cycle of a project, from concept to completion. Operating for 50 years, Coffey has over 4,000 people working on projects in more than 80 countries and permanent offices throughout the Americas, Africa, Asia Pacific, Europe and the Middle East.
